Gary yes, they are both the final reports. The first was the two year grant covering the info from 1995. The second was the additional funding we received for follow up. I would send her both. It might also be useful to post these on your webpage.kkp

Bruce and I went through about 15 boxes looking for the report below. Attached are two reports that are close in name. Does either one cover this report?

Thanks,

Gary

Hi Anne and Gary,

I'm trying to locate an article that was developed by NJDEP. The article was listed in your response to the creel survey conducted by the CPG for the Passaic River.

The article is listed as:

NJDEP 1995. A Survey of Urban Anglers from the Newark Bay Complex – Risk Perception, Knowledge and Consumption. Final Report to USEPA Region 2, Office of Water.

Do you have a copy of this document? If so, kindly fax it to Alice Yeh at 212 637-3256. Her phone number is 212 637-4427.

Thanks.

Marian
